

***The final exam will be 3 hours in length.
Date, time and place to be announced.***

Crib Sheet:

- *The final examination is closed book. You may, however, bring one 8.5"-by-11" sheet of paper as crib sheet.*
- *Preparing the crib sheet can be a useful study aid, so take time to select material for it.*
- *You may use both sides of the sheet and write as small as you like.*
- *Each student must have his/her own original crib sheet (typed or hand written). No copying or duplication from other students or printed sources is allowed. (For example, you should not cut and paste copies from books, lecture notes, etc.)*
- *You must clearly write your name and student number on top of each side of the crib sheet.*
- *You must hand in your crib sheet when you hand in your final exam report.*

Material covered:

The form of the exam is similar to the midterm test. The final exam will cover the entire course, however, more emphasis will be placed on the material after the mid-term. You are responsible for all the material covered in lectures, lecture notes, assignments, the midterm, and the corresponding sections of the textbook.
