

Meeting Minutes - November 8, 2006

Attendance: Hamdi Roumani, Tyson Hamilton, Douglas Stamp, Prof. Vlajic, Nelson
Duration: 45 min

- The wireless sensor network kit we were planning on purchasing was not for sale any more!
- Discussed a possible timeframe and an alternative to the previous WSN kit
- Decided upon purchasing Crossbow's WSN immediately
- Unveiled details of plan and the group separation (i.e. two separate groups working on the robot and WSN simultaneously) to Prof. Vlajic and Nelson
- Asked about the algorithmic details of the project and the TA's involvement
