

**GRADUATE PROGRAMME IN COMPUTER SCIENCE
YORK UNIVERSITY
Masters Student Progress Report #2**

This form must be completed and submitted before August 15 together with a preliminary copy of the student's thesis proposal. This preliminary copy does not get forwarded to The Faculty of Graduate Studies. A more concise Thesis Proposal is to be submitted to the Graduate Programme office for forwarding to FGS by December 15. The progress report should be completed and signed by both the student and thesis supervisor. (Please refer to the Masters Programme Progress Guidelines.)

Part 1: (to be completed by the student, then forwarded to the thesis supervisor)

Student Name: _____ Full-time or Part-Time: _____

Thesis Supervisor: _____ Sup. Com. Member: _____

(1a) List all courses (including conditional ones) taken while in the graduate programme:

<u>Course No.</u>	<u>Course Title</u>	<u>Institution</u>	<u>Term</u>	<u>Year</u>	<u>Grade</u>
-------------------	---------------------	--------------------	-------------	-------------	--------------

(1b) Explain your plans to complete your course requirements, if not completed.

(1c) What are your thesis research plans and timetable for completion?

(1d) Any plans beyond that mentioned in part 1c) or any other comments?

Student's signature

date

(continued on back page)

Part 2: (to be completed by the thesis supervisor)

(2a) Comment on student's satisfactory progress towards completing course requirements and his/her thesis progress so far.

(2b) Considering the overall academic progress of the student, recommend and explain whether he/she should receive continued financial support, if any.

Signature of Supervisor
